

UCL Management Consultancy Fair Employer list – Weds 9th Oct

Company name	Description
Analysys Mason	<p>We are Analysys Mason – the global leaders in telecoms, media and technology (TMT) management consulting. We bring together commercial and technical expertise across four interconnected consultancy practices: Strategy, Transaction support, Regulation and policy and Transformation. All of them strengthened by globally respected research.</p> <p>Our consultants and analysts are based in 17 offices across 13 countries, and have taken on work in over 140 countries, making us a truly global company.</p>
TWS Partners	<p>TWS Partners is the leading economic strategy consultancy. We put game theory into application for organisations that want to challenge the status quo and transform the way they do business. With our unique economic mindset and prove approach, we help clients navigate complex strategic decisions and drive company performance.</p>
Third Bridge	<p>Third Bridge is a market-leading investment research firm. We provide integrated solutions for the world's top investors and business leaders to help them make smarter and faster decisions. No other company in the world provides the same holistic investment offering: our superpower is the combination of human insights and unique investor-led content with a global expert network. We serve over 1,000 investment firms, offering clients 24/7 coverage through our team of 1,300+ employees located across eight offices.</p>
Newton	<p>We're a team of the brightest and most curious minds with a fundamental belief that every organisation can be better. We crack some of the toughest business and public sector challenges of the day. Not with reports or copy and paste thinking, but by pinpointing and implementing the changes that will make the biggest difference and then guaranteeing our fees against delivering measurable results. Our consultants will be at the careers fair and would love to talk to you about graduate job and internship opportunities at Newton. Come say hi!</p>
L.E.K Consulting	<p>No description</p>
Proctor and Gamble	<p>Day 1. It's something everyone experiences when they join a new company, whether they're a student, a recent graduate, or a seasoned professional. P&G's Day 1 starts with you doing something that matters – making an impact on the world, P&G brands, and your career. We hire based on the potential we see in people, so here, you'll be trusted to dive right in, take the lead, use your initiative, and build billion-dollar brands that help make everyday activities easier and make the world a better place. You'll be doing meaningful work that takes your career places you never imagined. Join us, and you'll be part of this effort from Day 1.</p>
Teneo	
Gartner	<p>We are the world leading Research and Advisory company, we equip C-level executives with the right tools and information they need to lead and drive their organisations forward.</p> <p>We have Internships and Graduate roles available for students who are looking to work in Sales, Client Services or Consulting.</p>

UCL Management Consultancy Fair Employer list – Weds 9th Oct

Management Solutions	<p>Management Solutions is an international consulting firm whose core mission is to deliver business, risk, financial, organisational and process-related advisory services, targeting both functional aspects and the implementation of related technologies. We currently have a multidisciplinary team (functional, mathematical, technical and systems integration) of more than 3,600 professionals.</p> <p>We operate through 47 offices (21 in Europe, 22 in the Americas, 2 in Asia, 1 in Africa and 1 in Oceania) from where we regularly serve clients that operate in more than 50 countries across five major geographical areas (Europe, Americas, Asia, Africa and Oceania).</p> <p>For more information about Management Solutions please visit: www.managementsolutions.com</p>
AlphaSights	<p>AlphaSights is the global leader in knowledge on-demand. We connect investors and business leaders with the knowledge they need to succeed. Working from nine cities globally, our 1500+ colleagues provide round-the-clock coverage to the world's top investment funds, consultancies, and Fortune 500s. As a Client Service Associate, your work is at the heart of what we do: you'll be the link between our clients and the expert knowledge they seek.</p>
Laeceum	<p>Laeceum is a specialist financial services advisory and consulting boutique with a sector agnostic SME Data & Analytics capability. Laeceum was founded with a mission to invert the traditional advisory and consulting model and to redress the historical risk/reward mismatch between client and advisor. We believe clients deserve better. Laeceum provides services to corporates, family offices, entrepreneurs, private equity funds and fintechs in three main areas:</p> <ul style="list-style-type: none"> ● Advisory ● Strategy ● Data & Analytics <p>We choose our work carefully to ensure lasting impact with the right clients.</p>
Prokura	<p>Prokura is a leading young consultancy company within Procurement and Supply Chain Management located in Denmark, Norway, Germany, and UK. We are approximately 100 consultants that are experts in these areas. Our projects range from strategy to direct optimization including procurement organization setup, category optimization and fast-impact bottom-line support (RAPID). Strong advice combined with innovative tools create value for our clients now – and for many years to come.</p>
Capgemini	<p>Capgemini offers graduate opportunities across Consulting, Technology, and Engineering. Careers are offered in business and data analysis, software development, cybersecurity, creative & design, project management and more, spanning a broad range of industries including public sector, manufacturing, and retail.</p> <p>Graduates will work with clients on innovative projects, collaborating with cross-functional teams to provide solutions to complex challenges and drive digital transformation.</p> <p>As a transformational partner to clients, Capgemini understands the challenges graduates face entering the workforce at a time of rapid change. That's why they offer a structured development programme so graduates can shape their futures and thrive in their careers. Their programmes offer professional skill building, clear</p>

	<p>communication, robust support, mentoring and role specific training. All graduates can access over 250,000 learning resources, including technical training and industry certifications.</p>
NMG Consulting	<p>NMG Consulting is a specialist financial services consultancy focused on the reinsurance, insurance asset and wealth management industries. We have approximately 150 employees across major hubs in Toronto, New York, Sydney, Singapore, London and South Africa.</p> <p>We are interested in meeting talented and driven graduates to join our London-based Graduate Program as an Analyst in 2025. During your rotations throughout this 2-year program you will support the implementation and delivery of our core propositions globally. Our flat structure ensures that you will have front line experience and exposure to senior decision makers; and our global focus provides fantastic opportunities for networking.</p> <p>If this sounds like you, please join us for a conversation at the UCL Management Consultancy Fair. We look forward to meeting you!</p>
OC&C Strategy Consultants	<p>At OC&C, we believe in solving problems using common sense, experience and analytical thinking. We offer our clients pragmatic and creative strategies, not off-the-shelf answers. We treat each problem as unique. There is no generic framework, no rulebook.</p> <p>Want to hear more? Visit our stall on Wednesday 9th October at 16:00!</p>
OMMAX GmbH	<p>Everyone can become a digital leader. We are a fast-growing digital strategy consultancy, specializing in transaction advisory, strategy, and end-to-end execution of digital initiatives. It's our vision to build digital leaders worldwide to foster innovation and accelerate digital growth and profitability. Over the past 13 years, we at OMMAX realized 300+ M&A deals with >€20B deal value and 2,000+ international value creation projects in various industries for leading private equity firms in commercial strategy, digital operational excellence, advanced data strategy, analytics, tech, AI, and automation. As a front-runner for holistic data-driven strategy consulting and end-to-end execution, we are the leading consultancy within the global private equity sphere, designing and delivering best-in-class digital strategy and value creation.</p> <p>We offer various entry-level career opportunities and recruit on a rolling basis throughout the year – so take the chance to meet the team and discuss your digital career at OMMAX!</p>
Dalberg Advisors	
Humatica	<p>Humatica is an award-winning, specialist management consultancy focused on increasing organisational effectiveness. We help Private Equity funds and their portfolio company leaders to build strong organisations that deliver value growth.</p>
Proxima Group	<p>Are you enthusiastic and self-motivated? Are you seeking a challenging and supportive environment to progress your career? The dynamic world of Procurement consulting might be the place for you!
