LSHTM's In-Person Careers Networking Event for Students, Alumni and Employers

We are excited to invite you to the Careers & Alumni Networking Event, an in-person evening designed to help you build meaningful professional connections with alumni and employers in the global health sector.

 Date: Tuesday 20th May 2025

 Time: 17:30 – 20:00

 Venue: Pumphandle Social Space

Organised by LSHTM's Alumni Team, Careers Teams, various Student Liaison Officers (SLOs) and your Students' Representative Council (SRC), this event fills the gap of a dedicated in-person career fair at our School. You'll have the chance to network casually with employers, global health professionals, and LSHTM alumni over light refreshments.

What to expect:

- Network with representatives from approximately **15 leading organisations** in global and public health.
- Connect with **LSHTM alumni** offering career insights, mentorship, and advice.
- This event **Does Not** require registration, however, to avoid overcrowding and ensure meaningful interaction with a limited number of employers and alumni, we are **capping student attendance at 200**. We recommend you arrive on time for the event in order to avoid disappointment. Once the event reaches capacity, you will be asked to wait until spaces become available.
- Limited light refreshments will be provided courtesy of the SRC and the Alumni team. Please be considerate of external guests and alumni volunteers as well as your fellow students.

This student-initiated event would not have been possible without the dedication of your student representatives and support from LSHTM Centres. We are thrilled to bring this opportunity to you and look forward to seeing many of you there!
