Careers Fair on Wednesday 22nd January 2025!

Our Online Careers Fair will take place on Wednesday 22nd January from 12:00pm – 14:00pm (UK time) via Zoom. We have 21 organisations confirmed for the Fair. You can see the list of organisations attending here. The various organisations attending will be in breakout rooms and you will be able to move freely between the breakout rooms to speak with them. These organisations are a selection of the many organisations working in different aspects of Global and Public Health and we hope that conversations with them will give you an insight into the type of work they do, which will then be useful for considering other similar organisations. Each of them has been asked to provide information about the organisation including what they look for in applicants, typical job roles, whether they are currently recruiting and whether they sponsor visas. You can find their answers here.

There is no need to book in advance, just join using the Zoom link below:
